What Is Saber Flow?

By Master Thompson

In short; **“Saber Flow”** is a saber workout and training program based on real world sword fighting techniques and styles. It is my hope that the Saber Flow program will be:

1. An effective stand-alone and/or supplemental exercise program to help develop and establish healthy living practices and habits.
2. A tangible illustration of the fundamental tenets of Ashla Knight's philosophy, practice and path.
3. A vital tool in helping The Order of Ashla Knights bring awareness to vital causes, and a financial means in helping to provide charitable relief, comfort and support to others.
4. A learning platform to help in the development of critical thinking skills and a resource for mind, body, and spiritual betterment and unification.
5. A fun and exciting activity for all ages.
